

EASI-RECT CINEMA STYLE DRAPE SETS

Standard Drape Set Comprises:

Metalwork: 2 Wing Bars, 1 Valance Bar

Drapes: 2 Wings, 1 Valance, 1 Skirt

Carrying box

The above illustration shows the components of the Harkness Easi-Rect Drape Kit System

The kit consists of

- 1 x Valance Bar.
- 1 x Valance Drape.
- 2 x Wing Bars (Marked Right & Left).
- 2 x Wing Drapes (Marked Right & Left).
- 1 x Drape Skirt.

*The adjustable Skirt Bar shown as "A" is an optional component.

The Wing Bars attach to the sides of the assembled frame with bayonet connectors.

The Skirt attaches to the screen surface via receiving studs present on the black webbing at the bottom of the surface.

Placement of the Drapes onto the metal work before raising the screen frame & surface to the legs is subject to individual decisions and the relevant safety and support being available at the time.
